NOTES:

1. See Plan and Profile No. 12613 for detailed sections.
2. Drainage connections are shown in details to be made with concrete. Drainage, pipe, and appurtenances shall be in accordance with the specifications of this project.
3. All levels of appurtenances shown above the foundation line shall be regarded as center of pipe, with the exception of 2 inch wash pipe.
4. See Plan and Profile No. 12613 for detailed sections.
